Song 1 The Rivers Have Lifted Up

The rivers have risen, the rivers have risen,
With roaring sound the rivers have risen,
With swelling waves the rivers have risen.

The Lord reigns, the Lord reigns!
The Lord is clothed with majesty,
The Lord is clothed with strength and might.

The Lord is mighty, the Lord is mighty,
The Lord on high is mighty indeed,
The Lord is faithful, forever true.

Your throne, O God, is established from old,
Your holy temple shines with glory untold.

The rivers have risen, yet the Lord reigns supreme,
Majestic and mighty, forever He reigns!
